

September Plant Fair Stallholders

Please bring cash as not all stallholders have card machines

Bridge Farm	Bridge Farm have a wide selection of rare and unusual plants including: Shade Loving / Tolerant Plants including rarely offered Pulmonarias, Brunneras, Lamiums, Epimediums, selected Hellebores, Asarums, Aconites, Acteas, and ferns, Variegated Plants, Green flowering plants and shrubs, Large selections of Digitalis, Nepeta, Sedum, Thalictrum, Borderline Hardy / Tender perennials including Salvias, Heliotropes and Scented Geraniums.
Bryan and Ruth Hall	Ruth and Bryan concentrate on the more unusual herbaceous perennials whilst at the same time having a selection of established border favourites. They also grow a good selection of rockery plants, which also fit well in a trough, bowl or container of any sort. As a contrast they also have a bit of something different - indoor succulent plants suitable for a window sill, conservatory or greenhouse.
Don's Hardy Euphorbias	Don holds a plant heritage national collection of hardy euphorbia. His garden has been featured on Gardeners World in 1999 and again in 2012, and it was also featured on the BBC's Tatton Park TV show.
Hedgehog Rescue	
Jason Wilson Plants	Jason is based in Leicestershire, where he propagates all of his own plants from his own stock beds. He has a range of herbaceous perennials and grasses for sale at specialist plant fairs and farmers markets around the East Midlands.
Jurassic Plants	A Vale of Clwyd-based award winning business, which focuses on less known and rare edible and ornamental species. The owners are scientists who specialise in dendrology, propagation and plant breeding. They are proud to propagate and grow all of their stock on site from seed or cuttings, not importing or buying and re-selling any of their plants.
Leaf In Glass	
Linda Scott	Linda Scott's business developed from a love of plants and gardening. Her obsession meant she propagated far more plants than she could use herself or give away to family and friends, so she started selling the excess at small local craft fairs and markets. She was delighted to then get invited to specialist plant fairs such as at Felley Priory and 20 years later she's still doing it! Her "nursery" is her garden at home and therefore she only sell at the fairs, which she really enjoys as she gets to meet other stallholders and lovely customers who over the years have become friends.
Moreton Nurseries	Moreton Nurseries specialises in quality, homegrown plants and the more unusual and hard to find shrubs and perennials. Gill and Gayle are happy to advise on plants and growing techniques.

September Plant Fair Stallholders

Norwell Nursery	Norwell Nursery specialises in rare and unusual herbaceous perennials as well as Cottage Garden Plants, Woodland plants, shade lovers, hardy Chrysanthemums, hardy Geraniums, Hemerocallis, choice bulbs and Grasses. All are grown in their inspirational gardens which are free to look around (except special charity days, when a small fee is payable) whenever the nursery is open. They have the dispersed National collection of Hardy Chrysanthemums and hold over 140 varieties as well as the National Collection of Astrantias.
Orchard Furniture	Orchard Furniture is a specialist in high-quality outdoor furniture.
Ornamental Gardenware	Tim Middleton creates beautiful baskets, growing frames and artwork for your garden
Piecemeal Plants	Mary Thomas runs Piecemeal Plants from the walled garden at Whatton House near Kegworth in Leicestershire. The nursery specialises in hardy herbaceous perennials - unusual varieties and cottage garden favourites plus a selection of flowering bulbs, half-hardy and tender plants
Plantazia	Plantazia Lincoln was started back in 2011 by Denise Green. The Nursery was developed after it became more than a hobby propagating plants. She grows a wide selection of Herbaceous Perennials, which will suit a variety of gardens.
Primrose Bank	Award winning perennial plant nursery and garden. You can find many unusual delights for your garden. Sue Goodwill has a BA in Garden Art and Design from Leeds Metropolitan University.
Prized Perennials	A small, independent nursery.
Smart Plants	
The Herb Nursery	A small family run nursery which has developed on the same site for over forty years which specialises in Herbs, Wild flowers, Cottage garden plants and Pelargoniums which are sold direct to gardeners.
Willow Vale Nursery	Willow Vale are a family based Horticultural Nursery, specialising mainly in herbs, lavenders and perennials, grown in peat free coir compost, without the use of chemical pesticides. Established over 20 years ago, they have been operating from their current Lincolnshire site for the last 7 years.
